SEPTEMBER IS
NATIONAL RECOVERY Month

RECOVERY IS POSSIBLE. HOPE IS REAL.
HEALING HAPPENS. WE RECOVER TOGETHER.

WHY IT MATTERS
National Recovery Month is a time to raise awareness about mental health and substance use recovery, celebrate the people in recovery, and recognize the dedicated professionals and community partners who make recovery possible.
By working together and showing support, we help break down stigma and build a healthier, stronger Warren County.

WEAR PURPLE ALL MONTH LONG!
Help us show our support and solidarity by wearing purple throughout the entire month of September.

WE WANT TO SEE YOU!
If your department collectively chooses a day to wear purple, please send us a group picture. We would love to feature your team in our newsletter and celebrate your participation!

TOGETHER, WE CAN Make a Difference!

Thank you for helping us recognize National Recovery Month and for your continued support of recovery in Warren County.
