FIRE PREVENTION WEEK

OCTOBER 5 - 11
Learn the Sounds of Safety!

Smoke Alarms Save Lives!
Make sure your alarm can save yours.

- ✓ Test smoke alarms monthly. Press the test button to make sure it's working.
- ✓ Replace batteries when needed.
- ✓ Use fresh batteries and replace them at least once a year.
- ✓ Replace smoke alarms according to the manufacturer's recommendations. Most alarms need to be replaced every 10 years.
- ✓ Keep alarms outside sleeping areas and on every level of your home.
- ✓ Make sure everyone knows two ways out of every room in case of an emergency.
- ✓ Never ignores a sounding smoke alarm. It could save a life.
- ✓ Keep portable heaters away from curtains, furniture and other items that can burn.

Every Second Counts!
KNOW YOUR FIRE ESCAPE PLAN.

KEEP YOUR FAMILY, CO-WORKERS AND COMMUNITY SAFE.

HALLOWEEN Safety

Don't Let Safety Be the Scariest Part of Halloween!

- ✓ Carry a flashlight or glow stick. It helps you see and be seen, especially at night.
- ✓ Wear costumes that are easy to see and walk in. Avoid costumes with long, loose material that could catch fire.
- ✓ Use battery-operated candles instead of open flames. Keep decorations away from heat sources.
- ✓ Check candy before eating it. Look for tampering and throw away anything suspicious.
- ✓ Children should be accompanied by an adult or trusted older person.
- ✓ Use sidewalks and crosswalks whenever possible. Be alert to traffic and always look both ways.
- ✓ Drivers should slow down and watch carefully for pedestrians, especially in residential areas.
- ✓ Keep walkways and porches clear of decorations, cords and other tripping hazards.

Have a Safe & Spooktacular Halloween!

Happy Retirement

Tanya Nixon

Receiving Clerk - Warren County Road Department

Warren County proudly recognizes Tanya Nixon for 25 years of dedicated service to Warren County.

Thank you, Tanya, for your commitment, hard work, and many years of service to our County and community.

Congratulations on 25 Years!
